Dear Ms. Carter:

The Mississippi Republican Party (C00084368) received the Federal Election Commission's request for additional information ("RFAI"), dated March 4, 2011, regarding the committee's 12 Day Pre-General Report (10/1/2010 - 10/13/2010).

With respect to the expenditures made for the FEC GOTV activities referenced in the RFAI, the committee inadvertently did not disclose the candidate(s) that the respective activities should have been attributed to. The committee had included this information in its database, but this particular information was not properly imported into the 12 Day Pre-General Report when the report was generated. The committee did not notice the issue prior to filing the report. The committee is amending the 12 Day Pre-General Report to disclose the candidate(s) that the respective activities should have been attributed to.

These expenditures are considered FEA GOTV activity and, as such, are correctly reported on line (30b).

Sincerely,

Arnie Hederman
Treasurer, Mississippi Republican Party
